7. Animals qualified for finals are **not** eligible to enter in any other class at the Show where the Final is held (**other than a Qualifying Class for another Competition**).
8. Shows **should** appoint competent persons to act as Stewards, who must ensure that the only animals (or other exhibits) which are eligible to compete and whose documentation is in order are allowed to proceed to the judging ring.

Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine up to €3000. All passports must be registered with the name of the current owner.**

- **Embryo Transfer:** Where a foal is produced by this method the dams passport must bear declaration dated, stamped and signed by the stallion owner (or accredited practitioner where AI is involved) stating the date on which the dam was last covered (or inseminated) and the name of the covering stallion.
- The owners of Champions and Reserve Champions are invited to submit the animals' passports to the I.S.A. head office where the placing will be endorsed and officially stamped with the seal of the I.S.A. as a permanent record.
- It is in the interest of shows hosting championship finals that photographs and results are forwarded to the Irish Farmers Journal immediately following judging.

**Important Notice to Animal Owners involved in Showing Animals**

The Irish Shows Association would advise all Animal owners who have their animals insured to have the Insurance cover extended to cover them while showing Animals at Shows, we understand that it costs very little or nothing at all depending on who you have Insurance cover with.

The reason for us giving you this advice is that if your animal lashed out and injured someone or damaged someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, you may end up paying all, or part of any settlement reached.
